*This is the second post in our new series, This Week We're Reading?, in which we will share news and blog posts about information sharing that we find interesting. We'd love to hear your thoughts and ideas for links ? [comment on Facebook](#) <sup>[1]</sup> or [send us an email](#) <sup>[2]</sup>.*

**State of Delaware:** [Governor Markell, Governor O'Malley Announce New Information Sharing Initiative](#) <sup>[3]</sup>

? The governors of Maryland and Delaware just launched a new effort to collaborate and share information across jurisdictional boundaries about violent or potentially violent offenders. Details were announced at a meeting yesterday at Salisbury University.

**Homeland Security Newswire:** [FBI completes new information sharing system](#) <sup>[4]</sup> ? FBI recently finished work on its newest info sharing database, N-Dex, which will further enable info sharing between state and local law enforcement as well as with FBI criminal justice cases.

**govfresh: ExpertLabs:** [The future of open government is citizen-focused](#) <sup>[5]</sup> ? The White House asked for ideas for the National Plan for open government and govfresh's Alex Howard summarizes the questions and some interesting responses.
